Reviews

We held our wedding at the Duxton earlier this year and they were absolutely excellent!! They made the experience so easy and enjoyable. Even when there was a change in wedding coordinator, the transition was very smooth. A special thanks to Rebecca who did such an excellent job as our wedding coordinator after taking over the job. Would definitely recommend!

Rachael & Jerald ♥ February 2018

I cant fault the Duxton and the ballroom looked stunning - thanks helping set up too! Everyone raved about how great the food and venue was. It was perfect!

Aimie & Michael ♥ February 2018

Rebecca and the team at the Duxton ensure our wedding reception was as perfect as anyone could dream! Food was delicious (and still being spoken about by guests), everything was exactly as planned and the ballroom looked absolutely amazing. Thank you so much for making our wedding everything we had hoped for and more

Danny & Farah ♥ December 2017

"As soon as we viewed the Duxton Hotel we knew that this is where we wanted to hold our wedding. The floor plan of the ballroom is amazing, the chandeliers look lovely and every staff member we dealt with in the lead up too, and on our wedding day were more than accommodating and just so friendly. There was many inclusions and we also got complimentary bath robes when we arrived back in our room after our reception that were personalised with our names on it. We had a lot of guests attend and everyone complemented how good the food and service was. We highly recommend holding your wedding at the Duxton, our expectations have been exceeded and we couldn't be happier."
